

What you need to know about your service

Please note that the Terms and Conditions of Service for your Rogers™ Wireless Service Agreement have been updated for July 1st, 2004. Please review these terms of service and provide a copy to any supplementary subscribers on your account, as these Terms and Conditions apply to them as well.

Please retain these terms of service for your records. If you continue to use your Rogers Wireless service after the effective date of the current Terms and Conditions, you will be deemed to have accepted them.

This agreement must be read in conjunction with the Terms and Conditions of Service provided to you and also posted on rogers.com, the Rogers™ Wireless Plans Brochure (describing the plan you selected) and the Wireless Services User Guide that are currently in effect.

By using this service, you:

- authorize Rogers™ to obtain information about the credit history of the user or any business or corporation named in the application and acknowledge that Rogers may provide information to others about your credit experience with Rogers.
- agree to be liable for the payment of all charges and other obligations under this agreement.
- acknowledge having read and received a copy of the Terms and Conditions of Service forming part of and included with this agreement.

You understand that at the end of the initial service agreement period, your wireless or messaging service plan will automatically default to a month-to-month subscription. At that time, you may select another Rogers Wireless plan, and/or Rogers may contact you to provide you with the opportunity to renew for another service agreement with a committed term. In the event that your plan is no longer available for subscription, you may select an alternate Rogers Wireless plan.

Your account information may, from time to time, be disclosed to other members of the Rogers Communications organization and to our agents and authorized dealers in order to service your account, to respond to your questions and to promote additional products and services offered by Rogers that may interest you. If you do not wish to receive offers or information from related Rogers companies, please go to rogers.com/wirelesspermission, or contact Rogers Customer Service at one of the following addresses: 300 6815 8th Street NE, Calgary, AB T2E 7H7, or 40 Weber Street East, 5th floor, Kitchener, ON N2H 6H3, or 6315 Côte de Liesse, St. Laurent, QC H4T 1E5, or from your wireless phone, dial *611.

Service Charges:

- A \$25 fee may apply for a phone-number change (effective next billing cycle).
- During temporary suspension of your Service(s), the monthly fees still apply. A \$25 fee will be charged to reinstate a suspended account.
- Service-restoration charges are waived if the device is lost or stolen.

Third Party Applications/Services

16. We are not responsible or liable to you for any content, applications or services provided to you by a third party for use with your wireless device, even if we bill you for such content, applications or services on behalf of such third party.

Data Usage

17. Data usage rates may vary from those stated as a result of rounding rules. Transmission Control Protocol/Internet Protocol overhead characters shall be added to all data transmissions and included in the calculation of usage. You agree to accept our calculation of usage as conclusive. We will not pool usage calculations from multiple devices activated under your account. Compression may impact the total amount billed to your account. Our network may re-send data packets to ensure complete delivery and you will be billed for these re-sent packets.

Lost or Stolen Equipment

18. Please immediately notify us if your device or SIM card is lost, stolen or destroyed. You will need to replace your device or SIM card and you will be responsible to pay us for all charges up to the time you notify us. Should you not wish to replace your device or SIM card, you will be required to pay us for any applicable early cancellation fees (as outlined below).

Deposit

19. We may require a deposit from you at any time. Any deposit will be credited to your account after at least 12 consecutive months in good standing on all your accounts with us. You will not earn any interest on any deposits held by us. If your Service is cancelled, we will apply the deposit against the outstanding balance on your account.

If you incur significant long distance charges or you present an abnormal risk to us, we may require an interim payment before your normal billing date. In this case, we will consider your payment past due 3 days after the due date or after we demand payment, whichever is later. If, after we notify you, the risk of loss to us substantially increases, or we believe you have no intention of paying the amount you owe, we can request immediate payment of your entire account.

Credit Limit

20. We may assign a credit limit on your account at any time. Service may be suspended at any time to any and all of your accounts if your balance, including unbilled usage and pending charges, fees and adjustments, exceeds this limit. We also reserve the right to change your limit at any time. Notice will be given for any assignment of or change to the credit limit amount.

Service or Equipment Problems

21. We do not warrant that all or any part of the Services, any equipment that you purchase, or the services or equipment of any third party will always be working without interruption. For example, when you use the Services outside of Canada, you may not be able to make international calls.
22. If your Service is interrupted for more than 24 hours, we may credit your account if we receive a written request from you. If approved, the credit amount will be based on the time your Service was interrupted. If the interruption in Service results from improper care of your wireless device, or negligence by you, no credit will be applied.
